STUFFED PARATHA

Stuffed Paratha Pockets

A recipe with **WHOLE GRAINS** (whole wheat flour), **BEANS** (tofu, soy milk), **RAINBOW VEGGIES** (onion, green bell pepper, green onion, carrot, ...), **NUTS & SEEDS** (flaxseed powder, cashews, almonds, walnuts), **SWEETENERS** (raisins), **HERBS & SPICES** (various).

DOUGH

- 2 cups sprouted **whole wheat flour** and little bit extra flour for kneading
- 1/4 tsp salt
- 2 Tbsp **flaxseed powder**
- 1/2 tsp **baking powder**
- 1 cup plain unsweetened **soy milk**, heated in microwave for 1-2 minutes
- Hot **water**

• In a large bowl, mix together dry ingredients (sprouted whole wheat flour, flaxseed powder, baking powder & salt).

• Add hot soy milk (or any plain unsweetened plant milk) and hot water, a little bit at a time to the dry mixture. Knead to make soft, pliable dough. Keep kneading dough for a couple of minutes until it is smooth and elastic. Use the fold, press and knead motion to make the dough smooth.

• Divide dough into 10-12 equal portions. Cover and let it rest.

STUFFING

- 1 cup **tofu**, crumbled
- 1 **green bell pepper**, finely chopped
- A bunch of **green onions**, thinly sliced
- 2 grated **carrots**
- 1 medium **red onion**, thinly sliced
- 3-4 **garlic** cloves, thinly sliced
- 1 tsp **cumin powder** (Jeera)
- 2 **green chilies**, finely chopped
- 1 Tbsp **coriander leaves** (dhania), finely chopped
- 1-2 tsp **raisins**
- 1 Tbsp coarse mixed nuts powder (raw **cashews**, **almonds** & **walnuts**)
- Salt (optional, to taste)

• Dice and grate all the veggies. Crumble tofu with your hands.

• Heat a thick bottom pan. Sauté green chili & garlic for 30 seconds. Slowly add the rest of the veggies and cook them for 2-3 mins. Add crumbled tofu. Mix well and cook for a few more mins.

• Add cumin seed powder, raisins & mixed nuts powder. Mix well & switch off the stove. Let the mixture cool.

POCKETS

ROLL: Dust each portion of dough in flour. Flatten it using a rolling pin into circular shapes (approximately 8 inch diameter). Dust with flour in between to prevent the dough from sticking to the surface.

STUFF & SHAPE: Place 1-2 Tbsp of cooked Stuffing (tofu & veggie mix) in the middle. Then fold into pockets, as shown in the picture, applying a little bit of water to the edges.

COOK: Heat stuffed pockets on a non stick pan until they are 3/4th cooked. Then bake (15-20 mins at 375 F) or air fry (5-8 mins at 350 F) these pockets and serve them warm!

STORE: Leftovers refrigerate well for 3-4 days. Reheat in air fryer or oven.
